Education

University of California, Santa Cruz - 3.97 GPA

Sept 2018 - present

- Sophomore, Computer Science major

University of California, Davis - 3.8 GPA

June - July 2017

- Took summer classes while in high school: Statistics 13 and PHE 044.

Experience/Projects

[Formula Slug](#) - C++

- School club that builds an electric race car and competes in the Formula SAE Electric.
- Programming micro-controllers for the electronic components of the car.

[Battleship](#) - Java / Swing

- Single player battleship game with randomly spawned ship locations.
- Goal is to sink all the ships in as few moves as possible.

[Tic Tac Toe with AI](#) - Python

- Single player tic tac toe game.
- Checks all possible moves recursively to determine where the best place to move is.

[Shortest Path Finder](#) - C / Breadth First Search

- Finds the shortest path between two vertices on an unweighted graph.
- Uses Breadth First Search on an adjacency list representation of a graph.

[Connected Component Finder](#) - C / Depth First Search

- Finds the strongly connected components an unweighted, directed graph.
- Uses Depth First Search on an adjacency list representation of a graph.

[My Portfolio Website](#) - HTML / CSS / Bootstrap

- My personal website where I feature some of my coding projects

Skills

Languages: Java, C, Python, C++, Assembly, Javascript, HTML, CSS

Tools: Git, Unix, GNU Make

Relevant Course/Subject History

Coding: Object Oriented Programming, Assembly Language, Advanced Programming, Java, C, C++

Theory: Data Structures, Search/Sorting Algorithms, Graph Algorithms, Abstract Data Types, Algorithm Analysis

Math: Discrete Math, Linear Algebra, Statistics, Graph Theory, Multivariable Calculus

Awards and Honors

UC Santa Cruz Dean's Honors (x2)

2018 - 19

CMPS 12A Top 15 Final Projects

Dec 2018

Piedmont High School Honor Society

2016 - 18

Work and Volunteer History

Key Club International: Volunteer organization (community service)

2016 - 18

Full Belly Farm: Volunteer annually at the Hoes Down Festival

Oct 2014 - present

Math Tutoring: Tutored students in algebra, trigonometry, calculus

2017 - 18

Election Day Poll Worker: Set up, operated, and broke down a polling station

2018

Construction work: Hired by a neighbor for landscaping and construction

summer 2019

Hugh Groman Catering: Serve food and bus dishes in high class events

June 2019 - present
